

C.C.C. Heep Woh College
2023-2024
Monthly School Report
June 2024

1. Third Staff Development Day

On 4th June, our school organised a whole-day Teacher Development programme. A talk on Media and Artificial Intelligence Literacy was held in the first session. Several Healthy Life-Style Workshops were held in the second and third sessions.

2. Second Term Examination

The Second Term Examination for S.3 to S.5 students was held from 5th to 21st June and the examination for S.1 to S.2 students from 7th to 21st June.

3. S.6 Graduation Dinner

On 6th June evening, S.6 classes invited teachers to attend their graduation dinner at Hotel Alexandra to express their gratitude. Each class performed to entertain the teachers and schoolmates. The atmosphere was warm and touching.

4. Third Department Heads Meeting

On 11th June, Ms. Cheung Pak Yu Maggie, the Assistant Principal and the Prefect of Study, chaired the meeting. We discussed the evaluation of the 2023-2024 Departmental Programme Plan, the formulation of the 2024-2025 AAC program plan, planning targets for the 2024-2025 Departmental Program Plan, and the evaluation of routine items and other matters.

5. Visit by Regional Education Officers of the Wong Tai Sin District of the Education Bureau

On 12th June, Ms. Chan Wing Yin, Senior School Development Officer of the Wong Tai Sin District School Development Section of the Education Bureau, visited our school to discuss the school's current situation and future development with us.

6. Sixth Meeting of the School Administration Committee

On 20th June, I chaired the Sixth Meeting of the School Administration Committee. We discussed the following items:

- the 2024-2025 School Organization Chart
- the 2024-2025 School Calendar

School-based Questionnaire results and other school matters.

7. Tour to Visit a Biotechnology Enterprise in the Mainland

From 24th to 26th June, eight students and I were invited to join a tour to visit a Biotechnology

Enterprise on the Mainland to understand the latest developments in biotechnology, especially the use and extensive application of Polymerase Chain Reaction (PCR) technology in DNA analysis. We also experienced the rapid development of cities in the Greater Bay Area.

8. Reports from Subject Departments

Mathematics Department

- (1) On 7th June, the Third Department Meeting was held. The following items were discussed:
