Heep Woh College: A Legacy of Excellence

Heep Woh College began its journey in Xiguan, Guangzhou, in 1911, founded by Mrs. Bigelow from the United States, pioneering early childhood education in China with a kindergarten. During Miss Edna Lowrey's tenure as principal in 1921, the Anglo-American Church funded the purchase of land and the construction of school buildings, adding a primary school and laying the foundation for future development.

In 1931, the Guangzhou Association of the Church of Christ in China began sponsoring the school. Principal Liu Fung Ling played a crucial role in its development, establishing a secondary school, raising funds, expanding facilities, and adopting the motto, "When you know the truth, the truth will set you free." Despite the challenges of the Second Sino-Japanese War, the school persevered and relocated to Macau.

In 1947, with support from the Presbyterian Church in the United States, Miss Schaefer opened a primary school in Kowloon Tong, Hong Kong, spreading the name "Heep Woh" to Hong Kong. The school's expansion continued with the establishment of a secondary school, initially operating from a temporary campus at Heep Woh Primary School and moving to its current location in Tsz Wan Shan in 1970, named Heep Woh College.

To this day, Heep Woh College continues to uphold its core values of **Love & Care, Integrity & Justice, Faith, and Excellence (LIFE)**, striving to cultivate exceptional Christian leaders for the world.

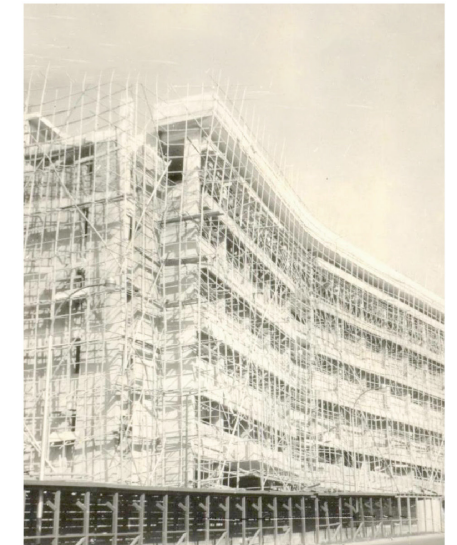

協和書院： 卓越傳承

協和書院校史始於美國碧盧夫人於1911年創立的廣州西關慈愛保姆傳習所。該校亦是中國幼兒教育之起點。於1921年羅莉女士在位校長期間，在英美教會資助下，協和購地建舍，並增設小學部，為學校未來的發展奠定了基礎。

中華基督教會廣州協會於1931年加入贊助，其中廖奉靈校長則在協和的發展中發揮了關鍵作用。她增設中學部，創辦了協和女子師範，籌募經費，擴建校舍，增加設備，並定立校訓為「**爾識真理，真理釋爾**」。儘管其後面對抗日戰爭的挑戰，學校仍堅持不懈，遷往澳門。

1947年，協和師範得到美國長老會支持，施禮嫻姑娘在香港九龍塘開設了一所小學，「協和」之名開始傳播到香港。學校的擴展進一步延伸至中學部的成立，初期在臨時校園協和小學運作，並於1970年遷至現址慈雲山，定名為協和書院。

時至今日，協和書院依然秉持「**愛、誠、信、優**」的核心價值。關愛互助，品格培育，基督牧養，追求卓越，務求為世界培育優秀的基督徒領袖。

Pastoral Care: A Culture of Care and Sharing

Heep Woh College strives to create a loving and caring atmosphere, promoting the whole-person development of students. Grounded in the love of Christ, our pastoral care aims at fostering both students' academic excellence and their spiritual development so that each and every one of our students feels being valued and supported.

Our whole-school approach to pastoral care incorporates a wide array of activities and courses which nurture our students' spirituality, including the Gospel Week, the Christmas and Easter Services, and the New Christians' Spiritual Formation Programme. We encourage students to join the Christian Fellowship and Cell Groups, in which they deepen their faith, connect with peers and involve in meaningful services.

Through these initiatives, we provide ample opportunities for students to have spiritual reflections and community involvements for a deeper understanding of their faith in pursuit of their calling.

In collaboration with Heep Woh Church, our partner church, we organise various events and programmes to promote the Christian faith and values among students. Besides, our school has been working closely with other organisations, churches and schools across the district to cultivate Christian youth leaders, including Joint-school Revival Camp and visitations to other Christian Fellowships. Not only do these joint efforts manifest a culture of care and sharing, they also encourage students to broaden their understanding of the Christian community and mission. Ultimately, we hope that students will live out the faith, care for the community and persevere with their mission, be it on campus or outside school.

Integrating the Christian faith and pastoral care into education and promoting holistic education, we pledge to empower our students to become compassionate, engaged and responsible citizens and leaders, who make a positive impact to the world around them.

牧養關懷： 關愛共享的文化

協和書院致力於營造一個關懷和富有愛心的氛圍，以促進學生的全面發展。以基督的愛為基礎，我們的牧養關懷旨在培育學生的學術卓越和靈性成長，確保每位學生都感到被重視和支持。

全校性的牧養關懷整合了不同類型的活動和課程，讓學生靈性上得到栽培。當中包括福音週、聖誕及復活節崇拜，以及初信栽培計劃。透過這些活動，我們為學生提供屬靈反思和社區參與的機會，幫助他們認識信仰，尋找召命。

我們鼓勵學生參加學生團契和信仰小組，通過事奉和群體生活認識信仰，與同儕聯繫，經歷生命轉變。

我們與學校夥伴教會協和堂合作舉辦不同的校園福音事工和聚會，讓學生能以生活化的方式親身經驗和認識基督信仰。此外，我校與校外機構、區內的教會和學校緊密合作，栽培基督徒學生領袖，例如舉辦聯校奮興營和團契互訪。我們期望學生在校內外都實踐真理，關愛社群，持守使命。這不僅體現我校重視關懷與分享的文化，更鼓勵學生拓展對基督徒群體和使命的理解和想像。

我們會履行全人教育的承諾，委身牧養每一個孩子，將信仰融入教育，培養學生成為充滿愛心、熱情、勇於承擔的公民，並對世界有貢獻的未來領袖。

Beyond Academics: Cultivating Future Leaders

超越傳統學習：培育未來領袖

The College is dedicated to nurturing future leaders who excel academically, uphold strong values and attitudes, possess diverse talents, and embrace social responsibility. In addition to offering the standard school curriculum, our institution has pioneered a unique "Humanities Education" program, featuring a variety of elective modules such as Forensic Science, Media and Communication, Psychology, and Moral Philosophy. This initiative allows students to freely choose according to their personal interests, thereby broadening their horizons, mastering essential core skills needed for the future, and adequately preparing them to navigate an increasingly complex and ever-changing world.

Furthermore, the school vigorously promotes in-depth research projects, enabling students to learn Design Thinking through practical experience, engage in interdisciplinary learning methods, and undertake profound knowledge exploration. Through these activities, students are encouraged to reflect on their own values and attitudes and strive to make meaningful contributions to community and global sustainable development.

協和書院致力於培養成績優異、秉持正確價值觀與態度、多才多藝並承擔社會責任的未來領袖。除了提供一般學校的標準課程外，本校獨創「人文教育」計劃，設法醫學、媒體與傳播、心理學及道德哲學等多元選修單元。此舉使學生能夠根據個人興趣自由選擇，從而擴展視野，掌握各種未來所需的核心理念，為應對日益複雜多變的世界做好充分準備。

此外，學校大力推動深度專題研習，讓學生在實踐中學習設計思維，體驗跨學科的學習方式，並進行深入的知識探索。通過這些活動，學生得以反思自身的價值觀與態度，並嘗試為社區及世界可持續發展作出積極貢獻。

Seventeen students attended a two-day sustainable development Innovation training course hosted by the MIT Hong Kong Innovation Node.

十七位學生參加麻省理工學院香港創科中心舉辦、以可持續發展為主題的兩天創科培訓課程。

International Recognition for Knowledge Management & Strengths-Based Education

國際認可的知識管理及強項為本教育

第十七屆黃大仙區傑出學生選舉

The 17th Wong Tai Sin District Outstanding Students' Selection

The school's knowledge management has gained international recognition. Besides winning the Asian Most Admired Knowledge Enterprise (MAKE) Award and the Best Knowledge Culture Award, we have been honoured with the Hong Kong MAKE Award for three consecutive years. With our consultant from the Stanford University School of Medicine, we pioneered the unique "Personalised Profile" system and have been promoting "Strengths-based Education". This "Personalised Profile" is constructed based on a combination of personality tests, competency assessments, and a thorough review of the student's extracurricular activities and accomplishments. It helps the school identify each student's unique strengths.

The analysis is divided into three key areas: multiple intelligences, generic skills, and talents and interests. By identifying these strengths, the school can tailor its educational approach to provide each student with the support and opportunities they need to thrive. This strength-based approach enables teachers to focus on students' areas of expertise, foster their self-assurance, and optimize students' achievement.

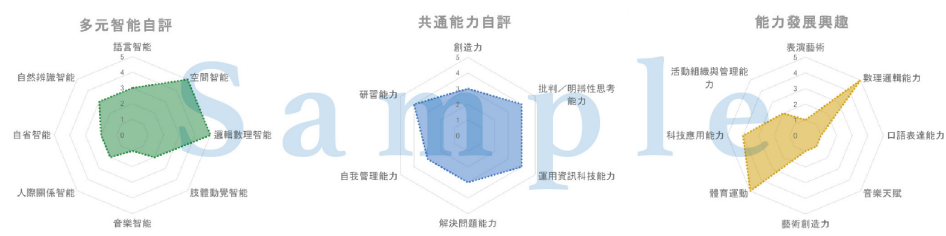

學校的知識管理備受國際肯定，曾獲亞洲最受推崇知識型機構大獎及最佳知識文化大獎，並連續三年榮獲香港最受推崇知識型機構大獎。學校獨創「個人化檔案」，推動「強項為本教育」，並由美國史丹福大學教授擔任顧問。藉著學生的性向測驗、能力評估以及對學生課外活動和成就的整體檢視，全面了解每位學生的獨特性。分析報告其中三個關鍵領域：多元智能、共通技能和能力發展興趣。透過識別這些優勢，我們可以因材施教，為每位學生提供所需的支持和機會。

Embodying the spirit of mountaineers, Heep Woh athletes have been striving continually to stretch their potential and to reach new heights of sporting glory. Indeed, our success in transforming hidden gems into Hong Kong's sports representatives has been a testament to the effectiveness of the school's innovative "Personalised Profiles" system and "Strengths-based education" programmes.
